

# Trim your tree and Trim your electric bill ...

Get a rebate when you purchase LED Lights and Decorations to save energy & money — and give a little back to the environment

 **Long Life** — LED lights can last up to 10 times longer than traditional incandescent strands.

 **Save Money** — Using LED holiday lights can save the average family \$50 during the holidays.

 **Cool To The Touch** — LED lights reduce the risk of fire and personal injury.

 **Energy Efficient** — LED lights use up to 90% less electricity than incandescents.

 **Lamp Replacement** — If a bulb burns out, the other bulbs stay lit making replacement easy.

Get yours today. Supplies may be limited.
